

The Institution of Engineers in Scotland

Tuesday 19th September 2017

Holyrood Secondary School

**Considering a career in engineering?
A Talk from the World's Top Car Designer**

Ian Callum RDI

Ian is both Scottish born (Dumfries) and educated (Industrial Design at the Glasgow School of Art) and is Director of Design at Jaguar. He was formerly Head of Design with Aston Martin. (Do you remember his DBS in Casino Royale?) In April this year Ian's Jaguar F-PACE won the "World Car of the Year" and the "World Car Design of the Year" in New York.

In 2006 he received the Royal Designer for Industry Award from the Royal Society of Arts and he has been awarded six Honorary Doctorates from universities around the world.

Ian is designing the Jaguar I-PACE all electric SUV due on sale in 2018 with a projected range of 300 miles.

For important information about careers in professional engineering see www.profeng.org the "one stop website" for student and teacher guidance.
